

BIG DROP IN NEW BUILDING PERMITS HERE

Construction here is in the doldrums, judging by building permits.

So far this year, from January 1 to April 18, 20 building permits were sought from Mayor William G. Weaver, including three for razing buildings.

The total contemplated expenditure in the work represented by the other 17 permits is \$27,590.

The amount compares to 33 permits issued for work totaling \$1,306,890 during the same period a year ago. Gettysburg College's new field house and library addition accounted for \$1,183,285 of that amount, but \$123,595 remained for other construction including two new homes.

NO NEW HOMES

There have been no permits asked for new homes so far this year, and the only major construction contemplated by the permits this year is the \$6,500 storage building and office being built for the Centennial Cab Co. by Joseph Feaga at the rear of Dr. John J. Knox's office at 37 York St., and the \$10,000 being expended again by Feaga as contractor for alterations to Dick's Sub Shop at 116 Carlisle St.

The first permit issued this year was for the tearing down of the Gettysburg Construction Co. building on Culp St. in January. The second was to replace flooring on porches at St. James Mission Home and the third was for the renovations at Wolfe's Restaurant, Lincoln Square.

The next three permits were issued in February for the alterations of Dick's Sub Shop, to enclose a porch at the Barbara

HOME FIRED BY LIGHTNING

The entire second floor of a two-story frame house at Dillsburg R. 1, York County, was destroyed by fire Thursday night after being struck by lightning.

Dillsburg Fire Chief Vance Seibert said the house was occupied by Dale Albert, his wife and the couple's two sons.

He said the blaze was touched off shortly before 5 p.m. when lightning hit a vent pipe near the bathroom of the house which is situated 100 yards west of the Gettysburg-Harrisburg Rd.

State Police from Harrisburg were called to the scene to handle the bulk of the traffic which had backed up more than a mile, Seibert reported.

Seibert said the blaze, discovered by Dale Albert, inflicted \$8,000 worth of damage to the home and its contents before being brought under control at 7 p.m. by Dillsburg and Franklin-town firemen.

The Albert family will be cared for by relatives and friends until the upper floor of the house can be repaired, Seibert said.

Why Easter On April 22?

Easter falls this year on April 22 because the Paschal full moon arrives on April 19—but that's not the complete reason.

It's the date of the Paschal full moon which regulates Easter. The Paschal moon is the moon of which the 14th day either falls on the vernal equinox date, or follows it. March 21 is arbitrarily set as the date for vernal equinox. Easter Sunday must follow the 14th day of the Paschal moon, and if the 14th day arrives on a Sunday, Easter is the following Sunday.

While an astronomical full moon arrived this year on March 21, that was not the Paschal full moon. The 14th day of that moon fell on March 20, the day before the arbitrary date for the vernal equinox.

Consequently, the arrival of Easter was delayed until after the next full moon. That full moon arrived Thursday and is the Paschal full moon for this year.

The method for determining Easter was set in the year 325. Earliest that Easter can arrive is March 22, and latest is April 25.

THREE MORE JOIN STAFF AT HOSPITAL

Directors of the Annie M. Warner Hospital, at a meeting Thursday evening in the Musselman annex, approved the recommendation of the medical staff for the addition of three to the active and consultant staff.

Dr. Harry O. Strickler was appointed with privileges in general dentistry and minor oral surgery. Dr. Fred J. Williams was appointed a consultant with privileges in oral surgery and Dr. S. A. Kilpatrick was transferred as a consultant to the active staff in obstetrics and gynecology.

Walter Dillon, hospital administrator, reported high occupancy that has prevailed in the past few days has made it necessary to delay admissions due to the lack of available beds. A few patients have had to be housed temporarily in the hallways. He pointed out, however, that the crowded condition is a temporary one that prevails periodically but does not continue for any sustained period of time.

REPORT DEFICIT

The current crowded condition follows a long period of low occupancy that has prevailed, off and on, since November, the variations of which have caused the hospital to operate in the red for the past few months.

The resultant unfavorable cash position of the hospital came in for long discussion in which the importance of affecting collections of accounts receivable was given emphasis.

The report of the finance committee, covering two separate meetings, revealed that several steps have already been taken by Administrator Dillon and Donald Z. Wagner, the hospital controller, to restrict expenditures to

The Sky Darkened, The Wind Rose, The Earth Shuddered— This Man Is The Son Of God

By GEORGE W. CORNELL
AP Religion Writer

A cross marks the day. It was a large, sturdy cross, made of wood, on which a man was hung on another Friday 2,000 years ago until he was dead.

Today, Christians around the earth commemorate that event in awe and penitence.

This is Good Friday, the observance of an interlude in history which to believers disclosed the ultimate devotion of God to errant human beings.

To Christians, their Lord suffered—because of and for their own sinfulness—even to death. "Greater love has no man than this," the old account reads, "than he lay down his life for his friends."

It is a somber, yet strangely magnificent occasion, the great offering, the sublime sacrifice on man's behalf. Altars are bare. Vestments are dark. And heads bow low in meditation.

SUBLINE SACRIFICE

The victim was Jesus, whom Christians regard as the man by whom divinity came directly to the world out of concern for it.

He was considered a heretic by the religious leaders of the day. The government found him dangerous, and condemned him. He was marched to the "place of the skull" outside Jerusalem and hung.

Various kinds of crosses symbolize the event.

3 TYPES OF CROSSES

At the time it occurred, three types of crosses were used for crucifixions by the Romans. It was the crudest form of execution known, reserved for criminal slaves and insurrectionists.

The crosses were sometimes shaped like a capital X, what is now called the St. Andrew's Cross. Sometimes a straight-topped cross was used, shaped like a capital T, without the tip flanges.

But the third sort of cross in use, the presently termed Latin Cross with the overlapping vertical and horizontal sections, apparently was the type on which Jesus died.

CARRIED CROSSBEAM

Scripture mentions a sign placed above his head, and early Christian writers speak of the four extremities of the cross, thus indicating the so-called Latin Cross.

According to early documents, the upright stake was fixed in the ground at the place of execution. So it is likely the condemned man carried only the crossbeam on the way to his death.

This was the usual practice, contrary to later Christian art showing Jesus carrying the entire cross. At the site of execution, His arms were strapped to the

Army Officer Is Suspended Pending Probe Of Address He Gave Before DAR Thursday

By WALTER R. MEARS
WASHINGTON (AP)—Maj. Archibald E. Roberts has been suspended by the Army while it investigates a speech he made without Pentagon clearance Thursday. The swift, stiff Pentagon action recalled that taken last year against his former boss, ex-Maj. Gen. Edwin A. Walker.

Roberts, 46, got a standing ovation from the Daughters of the American Revolution Thursday for an off-the-cuff talk in which he charged some government officials have leftist leanings. He applied that label to G. Mennen Williams, former governor of Michigan who is now assistant secretary of state for African affairs, and to Mayor Samuel Yorty of Los Angeles.

Yorty issued a statement in Los Angeles saying the charge was ridiculous. He said it "serves mightily the Communist objective" by causing confusion which aids subversives.

WILL CROWN BLOSSOM QUEEN MAY 6

Further plans were announced today for the annual Apple Blossom Sunday, May 6.

Paul Pitzer, president of the county fruitgrowers association, said apple blossoms are expected to dominate the 18,000 acre fruit area but some peach and cherry blossom are also expected at the same time. Redbud and dogwood will also be seen in the mountain areas.

Festivities for the day will center around South Mountain Fairgrounds where a barbecue chicken dinner will be served from 11 a.m. to 6 p.m. An optional feature of the dinner will be an apple dessert buffet of homemade apple desserts demonstrating the variety of ways to use apples from Adams County.

TO CROWN QUEEN

At the fairgrounds at 2 o'clock that afternoon Miss Brenda Bean, recently chosen as the county's 1962 Apple Blossom Queen, will be crowned by last year's queen, who is currently Pennsylvania's Apple Queen, Miss Joyce Ripley. Eight princesses, daughters of fruitgrowers, will comprise the queen's court and participate in the coronation ceremony.

Hospitality to visitors will include information centers along the blossom trails where apple juice will be served free to guests.

Pitzer noted that with its annual crop of approximately 3,000,000 apples Adams County leads Pennsylvania, the fifth largest apple producing state, in apple production. Adams county apples are world famous for their quality and flavor and can be found either in fresh or processed form in all important markets of the nation, Pitzer said.

He added that the county is also the world's largest apple processing center. Five plants of three major processors turn out millions of cases of applesauce, apple butter, sliced apples, prepared pie filling, apple juice, cider and vinegar.

ENGINEERS FAIL TO COME TO HEARING

Emmitsburg and Taneytown's sewer systems will be under water, at least at flood time, if the proposed Monocacy Dam near Six Bridges is constructed, according to statements Thursday night at a public meeting in Frederick.

Representatives of the U. S. Corps of Engineers were not present for the session and officials of the Frederick County Planning and Zoning Commission, which sponsored the session, told those attending that they will call another session in the near future and "guarantee" that representatives of the engineers will be present.

David E. White, chairman of the Frederick County Commission, said the only information he could give the group Thursday night was what had been given his commission by the Corps of Engineers and that he and the members of his commission could not answer many of the technical questions which were posed. Corps of Engineers spokesmen had been scheduled for Thursday night's meeting to answer just such questions, but did not appear.

"WHAT WILL WE DO?"

J. Norman Flax, Emmitsburg commissioner, said that the Emmitsburg sewer system is 376 feet above sea level and when water behind the proposed dam reaches the 388 foot maximum level predicted by the Corps of Engineers "our sewer system will be 12 feet under water. What will we do then?" The 388-foot level will

147 FARMERS HAVE EXCEEDED WHEAT QUOTAS

One hundred forty-seven farmers in Adams County have received notice that they have "excess" wheat acreage, the Adams County Agricultural Stabilization and Conservation Service office announced today.

They were also notified that it will be to their advantage in several ways if they dispose of the excess acreage in accordance with program provisions.

Myles E. Starnes, chairman of the county ASC committee, said the wheat program provisions have been revised for the 1962 crop in such a way that it is now more serious than it was in the past to have an unadjusted "excess" wheat acreage.

FACE PENALTIES

He said that, under federal regulations, wheat in excess of allotments (or the marketing quota exemption acreage if that is larger) is subject to a marketing quota penalty based on 65 per cent of parity as of May 1, 1962. Previously the penalty rate was 45 per cent.

In addition, the amount of wheat subject to the penalty will be figured at twice the farm normal yield on all of the excess acres. However, if the proved 1962 yield is less than twice the farm normal yield a reduction will be made in the amount of the

MAN HURT IN \$1,200 CRASH

Clarence M. Swinn Jr., 36, Gettysburg R. 2, suffered lacerations about the head Thursday night at 7:10 o'clock when his station wagon was struck by another car three-tenths of a mile west of here on the Fairfield Rd.

State police said Swinn, driving west, stopped on the highway preparatory to turning into the driveway to his home.

At that moment, according to police, Ross J. Deardorff, 41, Orrtanna R. 1, was headed west in his sedan and was unable to halt quickly enough. His car crashed into the rear of Swinn's vehicle.

Damage to Deardorff's car was estimated at \$700 with the entire front end demolished according to the investigating officers. It was towed from the scene.

Damage to the rear of the Swinn vehicle was estimated at \$500.

A passing motorist removed Swinn to the Warner Hospital where he was admitted as a patient.

DA Takes Appeal In Bollinger Case

A State Superior Court decision ordering a new trial for former Constable Clair L. Bollinger on charges of extortion and false pretenses is "in conflict with a long-settled rule in this commonwealth that evidence is not admissible to prove a custom which is in violation of settled principles of law," contends the York County district attorney's office.

This is one of four arguments advanced by District Attorney Daniel W. Shoemaker in an appeal to be filed with the State Supreme Court in efforts to upset the Superior Court ruling.

Bollinger allegedly signed affidavits in blank for costs services in connection with arrests and commitments of several defendants and had a deputy constable, acting as an agent, serve the papers. Bollinger contends he was following custom or practice.

Bollinger, who was also a detective, once had an office in Gettysburg.

By appointment of Elvis J. Stahr Jr., secretary of the Army, Washington, Dr. Walter C. Langsam, president of the University of Cincinnati, has been designated civilian aide to Secretary Stahr for southern Ohio.

In April, 1961, Secretary Stahr appointed him a member-at-large of the Army advisory panel on Reserve Officers' Training Corps affairs.

Dr. Langsam went to Cincinnati in 1954 from Gettysburg College where he had been president since 1952. He holds Gettysburg's honorary Doctor of Laws degree.

In making the new appointment Secretary Stahr explained to Dr. Langsam the primary purpose of the Army's civilian aide program is to "provide a close liaison between the Army and the American public for the promotion of the Army's efficiency and wholesome relationship with the public."

These aides also act as the secretary of the Army's representatives in the community, interpreting when necessary reasons for Army policies which have an impact upon the life of the civilian population.

The position of civilian aide is honorary, he added. Dr. Langsam's appointment will be for the two years ending April 2, 1964.

Woman Sets Herself Afire

SUNBURY, Pa. (AP)—A 69-year-old woman, released from a nursing home just two weeks ago, apparently took her own life Thursday by setting herself on fire, state police report.

Police Sgt. Frank J. Damion said Mrs. Mary Worley, of nearby Stonington, died at Shamokin General Hospital from second and third degree burns over most of her body.

Mrs. Worley apparently locked an 8-year-old boy in the bathroom of her home, raced to the basement, poured oil over herself, then set fire to her clothing, Damion said.

The boy, Robert Urban, broke out of the bathroom a short time later to find Mrs. Worley in flames. He telephoned police. The woman was rushed to the hospital where she died several hours later.

Pilot Trapped After Flying 3,920 MPH

EDWARDS AIR FORCE BASE, Calif. (AP)—Test pilot Joe Walker took the X15 on what was described as a warmup flight to 150,000 feet and 3,920 miles an hour and returned safely — to find himself trapped.

After the black rocket ship skidded to a landing on a dry lake bed here Thursday, Walker radioed: "I can't get the lid open!"

His cockpit canopy was stuck. Technicians pried it open with a tool predating the space age — a screwdriver.

The flight was a preliminary to planned X15 trips to nearly 50 miles in space. It was made to test a new emergency control system scientists think may be needed at extreme altitudes.

Walker termed the test 100 per cent successful. Officials said the flight means the X15 will be able to try for a new altitude record, 250,000 feet, within the next two weeks. The craft's present top altitude is 217,000 feet. The X15's present speed record is 4,093 mph.

ries in a publication called "Overseas Weekly"—which also drew Roberts' fire in the DAR speech—led to a Pentagon investigation of Walker's program.

RELIEVED OVERSEAS

Roberts, who was Walker's public information officer, was relieved of his overseas assignment and made a supply officer at Ft. Lee. He's a native of Denver and a 23-year Army veteran.

The Army notified Roberts last Saturday that his original speech had been denied clearance saying, among other things, that it would reflect adversely on the armed forces, and would tend to revive the Walker controversy. Roberts did not seek further Pentagon action, but the speech he delivered did not mention the Army, the pro-blue program or Walker.

Roberts told the DAR annual meeting "we are at war today and we are losing."

He said the military has no business in politics—but it becomes everybody's business when the mayor of a big city has leftwing leanings. Then he named Yorty.

DEATH COMES SLOWLY
In this position, modern studies have shown, the weight of the body transfixes the rib cage, so that breathing is possible only by muscles of the diaphragm.

Death comes slowly from exhaustion, cramps and paralyzing tension.

Before it came, He said, "Father forgive them for they know not what they do." Somehow, in the torment of those hours, Christians believe this faithless, just man, this son of God took on himself the burden of man's injustice—for man's sake.

Grace—the divine clemency—was bestowed.
"SON OF GOD"

In the midst of it, long ago, the sky darkened, the wind rose, and the earth shuddered, the record says, and men were afraid at their doings. "It is finished," Jesus said. Then He shouted with a loud voice, and His head sagged.

He was dead. A soldier ran Him through with a spear.

As His broken-hearted followers carried Him to a tomb, the officer in charge of the execution murmured, "Surely this man was the son of God."

GOP LASHES KENNEDY FOR STEEL BLOWS

By LARRY OSIUS

WASHINGTON (AP)—Republican congressional leaders have unloaded some of their sharpest criticism of President Kennedy since he took office, claiming he used police state methods to "blackjack" steel companies into rescinding a price increase.

In a formal statement released Thursday, they charged Kennedy with ordering or supporting nine actions last week that "imperiled basic American rights, went far beyond the law, and were more characteristic of a police state than a free government."

These "punitive, heavy handed and frightening" actions amounted to "a display of naked political power never before seen in this nation," said the statement issued on behalf of Senate Republican Leader Everett M. Dirksen of Illinois, House GOP Leader Charles A. Halleck of Indiana and other GOP leaders in Congress.

HUMPHREY REPLIES
It drew a quick reply from the Senate's assistant Democratic leader, Sen. Hubert Humphrey of Minnesota. He said the GOP leaders had again shown "an inborn, uncanny ability to get on the wrong side of major issues."

Eight companies announced \$600 price increases last week but later backed down in the face of strong opposition from the President, who said such increases were not in the public interest.

The Republican statement said, "We condone nothing in the actions of the steel companies except their right to make an economic judgment without massive retaliation by the federal government."

HURT FREE SOCIETY
"Temporarily President Kennedy may have won a political victory, but at the cost of doing violence to the fundamental precepts of a free society."

"This nation must realize that we have passed within the shadow of police state methods."

The party leaders said the main question is, should the President "use the enormous powers of the federal government to blackmail any segment of our free society into line with his personal judgment without regard to law?"

THOUSANDS IN VATICAN CITY

VATICAN CITY (AP)—Thousands of pilgrims and tourists from many parts of the world joined Romans today in Good Friday services recalling Christ's death on the cross.

Throughout the day, pilgrims and tourists walked through St. Peter's, whose monuments, images and crosses were shrouded in Lenten purple cloth of mourning.

Here, as well as in Roman Catholic churches throughout the world, a highlight of the rites was the ceremony of Tenebrae.

In that ritual 14 of 15 candles are extinguished, one by one, to recall the darkening of the earth when Christ died.

The bells of St. Peter's as well as those of Rome's nearly 500 churches were not to ring again until Saturday night, at Easter midnight Masses in celebration of Christ's resurrection.

County's 28,000 Taxables Going To Pay \$3 Million

Tax collectors throughout the county will be seeking something over \$3,000,000 from the county's approximately 28,000 tax payers this year.

The amount again is an all-time high.

The estimate of how big a "bite" the taxing authorities are placing on the taxpayer's pocketbook this year is based on the record prepared by the clerk of court's office to determine the bonds to be filed by the 33 tax collectors.

MOST TO SCHOOLS

Records show that the townships and boroughs have levied taxes totaling \$461,303.74 for 1962. The county levy is \$467,042.16.

School boards will seek in excess of \$2,046,475.43. That is the figure of the school taxes levied last year, the only one available to the clerk when he makes up the amount of bond for the various tax collectors. The school boards which have already levied their 1962 taxes all show an increase.

Condemned General Salan Is Arrested In Algiers

ALGIERS (AP) — Fugitive ex-Gen. Raoul Salan, leader of the terrorist Secret Army Organization, was arrested today in the heart of Algiers, French officials announced.

Salan, a 62-year-old army veteran who has been active in virtually all corners of the world, was sentenced to death in absentia for the putsch as was his colleague, ex-Gen. Edmond Jouhaud.

When reports spread that Salan was captured, heavy troop reinforcements were concentrated around Reghaia, an air base near Rocher Noir headquarters.

Salan already was aboard a plane bound for Paris when the announcement was made, the spokesman said.

SEAL OFF AREA

A government official said Salan was taken when riot troops and police sealed off a small section in downtown Algiers and launched a search of cars, buildings and passersby.

Capture of the 62-year-old former general who vowed to keep Algeria French came as the French government sharply stepped up action here against his secret army.

There were reports Salan had been captured early in today's search but that he refused to admit his identity and riot police officers who arrested him were not sure themselves it was Salan.

Unofficial reports leaked out that Salan had been taken, but it was not until several hours later that the Rocher Noir headquarters of the French-Moslem provincial executive disclosed the arrest.

HAD BEEN DENOUNCED

There were rumors Salan had been denounced by one of his followers and that police and troops had been able to start the sealing-off operation in time to net him. This could not be confirmed, but it seemed likely that Salan, who has been living in apparent immunity from arrest for more than a year, had been turned in by a disgruntled follower.

Salan was apparently taken to Reghaia, a French military air base outside Algiers where he either admitted his identity or his captors made sure of it.

If it was true that authorities were not able at first to identify him, the case had a striking similarity to the capture of ex-Gen. Jouhaud. It was several hours after Jouhaud's arrest before his identity was established.

Salan's arrest strikes a hard blow at followers of the secret army.

At the same time, Robert Smith called from the Adams Electric Cooperative that someone had fired a BB shot through a window of the cooperative's office building during the night.

Police believe the acts may have been performed by the same vandals who painted a number of cars during the same night.

Also during the same period Ray Mackley, 112 Chambersburg St., reported someone had apparently attempted to steal his hubcaps from his station wagon while it was parked at the rear of his home. One hub cap was removed, but the person attempting to take it apparently was frightened away before removing all the caps.

**One Bike Stolen;
Another Is Found**

Borough police thought they had automatically solved a "crime" Thursday afternoon but found instead they have two investigations to conduct.

Steve Whetstone of Gettysburg College called the police office to report that his English make, red, Western Flyer bicycle had been stolen from its parking place near the Student Union Building.

About that time one of the officers arrived with a bicycle in the rear of the police car. The bike had been found in an alley to the rear of the Carlisle St. It too was an English-type bicycle.

But further investigation showed the one found was black, instead of red, and it was a Royce Union make rather than Western Flyer.

So now the officers are looking for the owner of the one bike and the thief that took the other.

ELKS' EASTER DANCE

The Gettysburg Elks will hold their annual Easter dance on Saturday, starting at 10 p.m. Bob Stetler and his orchestra from Lancaster will furnish the music.

also inundate the eastern section of Emmitsburg east of the Creamery Rd.

Taneytown representatives also held that the proposed water level would adversely affect the sewer system in that community.

The proposed Monocacy Dam is part of a Potomac River development plan proposed by the U. S. Corps of Engineers to provide sufficient pure water for the expected number of residents of their area and their industries by the year 2,000.

TEMPERS FLARE

In connection with the Potomac River plan, the Corps of Engineers has submitted four alternate proposals listing dams at various places. The Monocacy Dam is on all four of the plans. It would back water into Adams County, flooding several properties near the confluence of Rock and Marsh Creeks.

E. S. Conway, a Republican candidate for the Maryland House of Delegates at Thursday night's meeting said the recreational benefits to be provided by the proposed dam "would not be as great as the Corps of Engineers claims." He gave as an example dams built for Baltimore's water supply which he said did not greatly add to recreational benefits.

"He also said that there 'is very little good done by public hearings. The powers in charge of the Army Engineers do as they damn well please no matter what the public hearings show.'"

Pilgrims Bow In Awe Before Calvary Early Friday Morn'

By DAVID LANCASHIRE

JERUSALEM, Jordan Sector (AP)—Arab Christians and pilgrims from around the globe bowed before the traditional site of Calvary at dawn this Good Friday inside the walled city.

Church bells rang out across the hills of Jerusalem. Skies were overcast and drizzling.

A few hundred yards from the worshippers in the Church of the Holy Sepulchre — built on the ground where Christians believe Christ was buried—Jordanian desert troops peered from sand-bagged medieval walls across no man's land to the Israeli sector of Jerusalem. But the frontier was peaceful for the day.

FOLLOW CHRIST'S PATH

Thousands of devout pilgrims were expected to follow Christ's last walk later in the day, bent under the weight of full size crosses along the twisting, stone-flagged Via Dolorosa that marks the Way of the Cross.

Jerusalem's hotels and private houses in the old walled quarter were jammed with visitors for Easter week, which this year stretches to April 29, when Eastern churches celebrate the resurrection. The Tourist Bureau estimated about 6,000 pilgrims were here already.

Covered alleyways and bazaars —barely wide enough for burdened donkeys to pass — were thronged with Americans and Europeans in newly bought Arab headresses, nuns and monks in robes from faraway lands, dark-faced Ethiopians, Copts from Egypt, and Armenians from Lebanon.

HOLD DEVOTIONS

At the foot of the Mount of Olives Thursday night believers knelt in candlelit darkness around the huge rock where tradition says Jesus underwent his agony after Judas betrayed him.

Anglicans and Arab evangelists held devotions in the same hillside garden. Lutherans walked from their church through the gate in the city wall to services in the onion-domed Russian church at the foot of the mountain. Other worshippers gathered in churches throughout the city. More than 100 Christian sects are represented in the city.

Roman Catholics worshipped in the massive Church of the Holy Sepulchre, so weakened by age that the whole structure threatens to collapse.

CHILD IS BURIED

Funeral services for Scott A. Linebaugh, aged 19 months, son of Mr. and Mrs. Wilson S. Linebaugh, Abbotstown R. 1, who died Wednesday morning, were held this afternoon at 2 o'clock at the Fred F. Feiser Funeral Home, New Oxford, with the Rev. Lester J. Karschner, Abbotstown Lutheran pastor, officiating. Interment was made in the St. John's Cemetery at Abbotstown. The pallbearers were Wayne Reid, Harold Lebo Jr., Samuel and Terry Linebaugh.

Today's Talk

ROOSTING TIME ALWAYS COMES AROUND

There is nothing lost in nature. There is a mark for every arrow. Whether you send out a word or a deed, there must be a landing place for it — somewhere.

Chickens always come home to roost. So does the influence you send out come back to sleep in your soul again.

Few of the really great men and women in business work for money alone. Few work merely for fame. It's what comes back to their hearts in the shape of satisfaction, appreciation, inspiration, that makes men and women risk and work and fight.

Earn and save and you get something new back in the shape of interest that takes its place beside the principal. So it is the same when you send out what you make possible from your abilities and character.

The bad comes back, too. Sometimes it takes a long time and you think it is gone forever. But it returns. Unless — you have changed your house. Or moved it!

Send out your personality, which is made up of your love, your smile, your thoughtfulness, and your generous impulses. As sure as there is air, these will come back to roost in your heart again.

And here is something it is well to bear in mind: Like attracts like, and if you send out these things, far and wide, they are quite liable to bring back their own kind — thus adding to your store and increasing your power and happiness.

You can't be too careful about what you send out — because roosting time always comes around!

Tomorrow Mr. Adams will talk on the subject: "The Life Beyond" Protected, 1962, by The George Matthew Adams Service

THE BAD THIEF

"And one of the malefactors which were hanged
railed on him, saying, If thou be Christ, save thyself
and us."

—Luke XXIII:39

Even in his death throes, the "bad" thief—Jesus' companion in agony—reviled Him, echoing the mockery of the mob.

But the other thief, recognizing Jesus and trusting in His promise of a life to come, rebuked his unrepentant cohort:

"Dost thou not fear God, seeing thou art in the same condemnation? And we indeed justly; for we receive the due reward of our deeds: but this man hath done nothing amiss."

But, although this may have silenced the unregenerate man's jeers, it apparently did not persuade him that Jesus was indeed the Redeemer.

This story of the two thieves vividly illustrates the duality of man. His nobler nature—his soul—responds to Truth with the humble request:

"Lord, remember me when thou comest into thy kingdom."

But his mortal, physical mind, with its accumulation of evil thoughts, rejects the good.

The words of forgiveness, uttered by the dying Jesus, found no echo in the heart of the bad thief. Only bitter selfishness and resentment that this Man who claimed to be the Messiah could not save Himself, and His two companions along with Him.

But He could not even save His own suffering. The insults flung up at Him by the crowd were justified. He was a fraud, an impious imposter, the bad thief thought.

Jesus was ready with forgiveness even in the final hour of His earthly life. It was His plan that even the least among men—even a thief—might inherit the kingdom of God.

For no man who lifted up his yearning to Him was denied an answer.

But the bad thief did not ask for that kind of salvation. And thus he closed the door on everlasting life.

FIFTEEN YEARS AGO

Blast Like Atom Bomb: A series of ship and oil storage tank explosions in Texas City, Texas—the second most costly disaster in Texas history — has given America its first full peace time test of the chaos that would follow the dropping of an atom bomb in this country. No wartime witness of the bombing of overseas strategic harbors can escape noting the similarity of the accidental explosions of two nitrate-laden vessels in this small Gulf Coast oil port to the devastation intentionally wrought by American bombers less than two years ago against the Japanese enemy. The damage of the atom bombs at Hiroshima and Nagasaki was completed within 24 hours of the initial flash blast that set the tinder-dry Japanese cities aflame. Today more than 48 hours after the French ship Grandchamp exploded with titanic power great fires are still ravaging the multi-million dollar oil storage tank farm that makes up the wealth of Texas City.

York Winner Aims At Opera: Miss Peggy Ann Moul, East Berlin High School senior and daughter of Mr. and Mrs. George William Moul of East Berlin, who won first honors in the alto solo division of the state-wide music contests at York last weekend, plans an operatic career. In addition to her vocal work at the High School, Miss Moul has been studying voice under Mrs. Mildred Rogers Dunstan, retired concert and operatic singer. She plans to enroll at the Juilliard School of Music in New York City in preparation for an operatic career.

Town In Need Of Playground: Gettysburg needs a comprehensive community recreation program with a full-time director. This is the consensus of opinion of the joint committee comprising representatives of the town council, the school board and the Gettysburg Recreation Committee at a meeting held in the YWCA. Members were in agreement that the town needs a complete, all-year recreation program and that something should be done on a well organized basis. It was emphasized that there is an expressed willingness on the part of the community to finance such a project if there is sufficient co-operation. Those present at the meeting were George March, Mahlon P. Hartzell Sr., Charles Bender, Dr. Lloyd C. Keefeaver, Ralph Oyler and Dr. Dwight F. Putman.

Soroptimists Stage Party: Forty members and guests were present at the Bon Voyage dinner given by the Soroptimist Club on Tuesday night at Hotel Gettysburg in honor of Mrs. Elizabeth Hennig and Miss Julia Peters, treasurer and historian of the club, respectively, who are leaving this month on a trip to Hawaii. Mrs. Frederic E. Griest acted as toastmistress. A number of members from the Hanover Club were included in the guests.

Civilian In War Dept: Charles W. Wolf, local attorney and son of Mr. and Mrs. J. Guy Wolf, has recently been relieved from active duty with the Army Air Forces by Headquarters, European command, at Frankfurt, Germany. Mr. Wolf, who was a first lieutenant and assistant staff judge advocate with headquarters, U. S. Says 1,600 Lacked Jobs Last Month

The Gettysburg area labor picture, as far as employment in March is concerned, is better than that of a number of other districts in this area, according to a report from the U. S. Department of Labor.

The U. S. estimates eight per cent of the labor force in the local area, or 1,600, is unemployed. The figures compare to 6.9 per cent in the York area, where 7,200 are unemployed; 10.1 per cent in the Berwick area, 10.8 per cent in the Sunbury - Shamokin - Mt. Carmel area, 13.4 per cent in the Marysville-Newport area and 13.5 per cent in the Pottsville area.

In the Harrisburg area 6.6 per cent are unemployed, or 11,110. Lancaster has the best record in the state, with only 4.2 per cent of its civilian work force unemployed.

The Appalachian Trail, stretching from Maine to Georgia, is within a half-day's drive for more than half the population of the United States.

Waynesboro Nips Warriors 3-2 With Run In Seventh; Cannors Here On Tuesday

Waynesboro came from behind to tally one run in the top of the final inning to send the Gettysburg High Warriors baseball team down to their second straight one-run defeat 3-2 here Thursday afternoon.

Coach Don Young's outfit picked up runs in the first and third innings to take a 2-0 lead.

Dennis Breighner opened the last of the first inning with a single but was forced at second base by Tommy Collins. Collins stole second base and tallied on Dick Crist's single.

In the third inning Collins was safe on an error at first base, pilfered second and third bases and raced home as Crist grounded out.

VISITORS TIE SCORE

Waynesboro tied the score with a pair of runs in the fourth. The Indians put together a pair of errors, two walks and a single by Ernie Rock for their runs.

A triple with two out in the sixth inning by John Holoka, Warrior catcher, was wasted when he was left stranded.

The winning run in the seventh resulted from a single by Harry Sulanek, a walk, infield out and an error.

Larry Eckert pitched the entire game for the Warriors and turned in a good performance, whiffing four and walking two. Dave Hovis, who also went the route for the visitors, fanned nine and walked three. Waynesboro is now 3-3 for the season.

The Warriors, 0-2 for the campaign, meet Biglerville here Tuesday afternoon in a South Penn League game.

WARNER RECEIVES AWARD

Ron Warner, who holds the Gettysburg College basketball scoring record of 1,880 points, was awarded the first sportsmanship award plaque given by the York Outdoor Country Club at the club's golf dinner Thursday evening.

Warner is a former York High star. Bob Hulton, Bullet basketball coach, also attended the dinner.

ONLY WOMAN HANDICAPPER SUCCESSFUL WITH WINNERS

LEXINGTON, Ky. (AP) — In the man's world of handicapping horse races, Jobie Arnold is about as welcome as a swarm of bees at a picnic.

Her success at picking winners pleases the bettors but she has a feeling that her male compatriots would like to give her a one-way ticket to Timbuktu.

Jobie believes she is the only woman handicapper in the country. For two years, she has picked results for newspaper reads on racing in Kentucky, Ohio and Florida. In 71 of 21 race meetings, she has been ahead of the men in number of winners.

ONLY ACADEMIC

On opening day of Keeneland Race Course April 7, she had a rare triumph. She picked winners in the eighth race was a close second.

It's only academic for Jobie, however, since she never bets her own selections.

"It only upsets you and you don't watch all the horses in a race," she said.

How does she explain her success?

For one thing, she has grown up with horses. Her grandfather, William Kenney, owned the farm now owned by George Widener. She has trained and shown hunters and jumpers all over the country.

NO CERTAIN FACTORS

A second factor is that she places great emphasis on getting out to the track as early as 7:30 a.m. and seeing the horses work out. She talks to jockeys, trainers and agents.

What factors enter her picking? There's no one thing. She watches the horse's past few races, its allowed weight, the jockey, claiming price, "which can show many things," breeding, and stables.

There are definite stables which win at certain tracks," she says. What is her considered advice to faithful bettors on the races? "Stay home."

Hold Finals In North-South Golf

PINEHURST, N.C. (AP)—Mrs. Helen Sigel Wilson, Philadelphia restaurant operator, engages reed-thin Clifford Ann Creed, physical education teacher from Alexandria, La., today in the 18-hole finals of the North and South amateur golf championship.

Each advanced impressively through semifinal play Thursday. Mrs. Wilson, a 1950 Curtis Cup player, lost three of the first-five holes—but no more—in a 4 and 3 victory over Mrs. John Dyson in an all-Pennsylvania match. Mrs. Wilson lives in Gladwyne and Mrs. Dyson in Sugarloaf.

Miss Creed, daughter of a golf professional, never trailed and lost only one hole in putting out perennial Carolinas champion Marge Burns of Greensboro, N.C., 5 and 3.

PIRATES SHOW GOOD POWER IN WIN SPREE

PITTSBURGH (AP)—The Pittsburgh Pirates, atop the National League with eight straight victories, open a home stand against the New York Mets Saturday needing only two more wins to equal the modern major league record for consecutive victories at the start of the season.

No. 8 for the Pirates was a 6-3 triumph over the Phillies at Philadelphia Thursday night. It broke the club record of seven set by the 1938 Bucs. The modern major league record is 10 by Brooklyn in 1955.

The Pirates have an open day today along with all the NL teams.

The surprising Pirates, who slumped to sixth last year after winning the World Series in 1960, have set the pace without Vern Law who hasn't pitched yet this year.

STILL QUESTION MARK

Law, a big gun in the 1960 pennant drive, but sidelined by arm trouble most of last year, is still a question mark. Manager Danny Murtaugh, waiting for warmer weather, has said he'll use Law when the right-hand pitcher tells him he's ready.

What have been the big factors, then, in the Pirates' fast start? "We have been getting pretty good pitching and timely hitting," says Murtaugh. "Our fielding has been very poor in Florida, has been outstanding and has won at least a couple of games for us. I just hope we can keep it up."

The Pirates' streak has come at the expense of clubs picked for second division status. They defeated New York three times, Chicago twice and Philadelphia three times.

After the Mets' series, they'll run into what is considered tougher opposition, playing San Francisco, Los Angeles and Milwaukee.

Pittsburgh's relief pitching the past few days has been outstanding.

OLDEST ROOKIE

Diomedes Olivo, the oldest rookie in the majors (age 41), held Chicago Monday as the Pirates came from behind to win 6-5.

Wednesday night Earl Francis' excellent job helped the Pirates to a 4-3 victory over the Phillies.

And Thursday night it was rookie Jack Lamabe, a former Philadelphia farmhand, who stopped the Phillies on one run in the last four innings. Lamabe took over from starter Al McBean in the sixth inning, with the Pirates leading 5-2 after McBean's right elbow began hurting.

As for timely hitting, Bill Mazeroski and Bob Skinner provided it for the second night in a row. Mazeroski belted a two-run homer, his second in two nights, and Skinner, coming out of an early season slump, doubled home a run. Skinner's three-run homer won for Pittsburgh the previous night.

The Pirates sent Phillies' ace right hander Art Mahaffey down to his first defeat this year. He had won two.

Major League Stars

Batting — Jim Landis, White Sox, hit two homers—one a grand slam—and also stroked single, driving in five runs in 10-3 victory over Minnesota.

Pitching — Dean Stone, Colts, pitched second successive shut-out against Chicago Cubs, checking them on five hits for 6-0 triumph.

MUSIAL HIT AGAIN

Curt Flood stroked four hits and Stan Musial drove in three runs with a pair of singles as the Cards sent the Mets spinning to defeat No. 7, Ray Washburn (1-0) won it, with Al Jackson (0-2) the loser.

Stone allowed the Cubs five this time. Al Spangler's bases-loaded single off Don Cardwell (0-3) in the second inning gave Stone the only run he needed.

Home runs by Tommy Davis and Duke Snider gave the Dodgers and southpaw Sandy Koufax (2-1) the victory over the Reds. Moe Drabowsky (0-2) lost it.

The Giants struck for five runs in the fifth on a homer by Jim Davenport, Harvey Kuenn's single, three walks by Lew Burdette (0-2), a wild pitch and Jose Pagan's two-run single before Felipe Alou and Ed Bailey drove in the deciding runs in the seventh.

Musial Thrives At Polo Grounds

NEW YORK (AP) — As the Cardinals were rushing to catch a plane for St. Louis Thursday following their two-game sweep over the New York Mets, Stan Musial turned to manager Johnny Keane and said:

"Hey, Skip, just about leaving me here. I just love to play at the Polo Grounds."

It's hard to find a stadium where Musial doesn't like to hit, but the Polo Grounds always has been his pet park.

He cracked two hits in each of the two games the Cards played here, beating the Mets 15-5 on Wednesday and 9-4 Thursday. His two singles tied him with Babe Ruth for second place in the all-time total bases standings at 5,793.

When told he had a good chance of passing Ty Cobb's all-time mark of 5,863 total bases this season, Stan grinned:

"That just shows that you shouldn't rap singles hitters. That's what we are—Cobb and I—singles hitters."

Former Skipper Undergoes Knife

MEMPHIS, Tenn. (AP) — J. Thompson (Doc) Prothro, former manager of the Philadelphia Phillies of the National Baseball League, underwent major surgery Thursday.

The nature of the operation was not disclosed. His condition was said to be satisfactory.

Prothro, 67, now retired, also was a longtime manager of the Memphis Chicks of the old Southern Association. His son, Tommy, is head football coach at Oregon State.

Rutgers Explodes For Six Runs In Ninth To Down Bullet Nine 8-4

2 BIG RACES WILL BE HELD ON SATURDAY

By ORLO ROBERTSON

Associated Press Sports Writer

The accent in horse racing remains on the 3-year-olds Saturday with major pre-Kentucky Derby tests coming in the \$75,000-added Wood Memorial at Aqueduct and the \$35,000-added California Derby at Tanforan.

Ten or so thoroughbreds, hopeful of earning a trip to Louisville, for the 88th running of the Derby May 5, are expected to tangle in the 1½-mile Wood with Sunrise County the probable choice. He races in the silks of Townsend B. Martin but is jointly owned by Martin and Leonard P. Sasso.

Chief interest at Tanforan centers in the performances of Neil S. McCarthy's Royal Attack, winner of the Santa Anita Derby, and Mr. and Mrs. L. C. Sternberger's Doc Jockey, who took the San Felipe Stakes at Santa Anita. This also is a 1½-mile affair.

ALL DOUBLE WEIGHT

All will carry Derby weight of 126 pounds in the Wood with the winner picking up \$38,890 of the \$90,600 if 10 start. In the California Derby, Royal Attack carries 124 pounds, four more than Doc Jockey.

Sunrise County, who will be ridden by Willie Shoemaker, is unpredictable but at times has proved a top flight performer. He won the \$100,000-plus Flamingo at Hialeah Park only to be disqualified for bearing out in the stretch.

Other well regarded colts expected to go in the rich race include George D. Widener's Endymion, Gus Ring's Stinson Beach, Werne Winchell's California-owned Donut King, who has yet to run back to his 1961 form and Robert Lehman's Prego, who picked up the Flamingo first money when Sunrise County was disqualified.

Landis opened against Twins' starter Jim Kaat (0-1) with a single and put the finishing touches on the first inning outburst with his grand slam off Georges Maranda. He belted his other homer in the sixth off Ted Sadowski. John Buzhardt (1-1) went the distance for the White Sox.

OTHER HIGHLIGHTS

Mantle got the Yankees started with a second inning homer off loser Chuck Estrada (1-1) and scored the final run in the ninth. Ralph Terry (3-0) was the winner.

Clinton's sixth inning homer clinched it for the Red Sox. Conley (1-1) got the victory with last inning relief from Dick Radatz. Phil Regan (0-2) lost it.

Eddie Yost walked for the Angels with two out in the last of the 12th and Moran stroked his homer to subdue the A's. George Witt (1-0) won it with Dave Wickersham (0-1) taking the setback.

Pimlico To Hold Two Ladies' Days

BALTIMORE — Racing's fair sex will become an integral part of the spring meeting at Pimlico, which opens its annual 12-day stand on Saturday, May 5, it was announced by Louis Pondfield, executive director of the Maryland Jockey Club. Both Thursdays, May 10 and May 17, will be Ladies' Day at the Baltimore track.

Recognizing the increased interest that the feminine fans have been bestowing on the sport, the Pimlico management has arranged an elaborate program for the two special Ladies' Day presentations during the brief two-week meeting. All ladies will be admitted to the track upon payment of the state tax only, which is 15 cents.

The special Ladies' Day program will start at 11:30 a.m. in the Preakness dining room in the new clubhouse where several outstanding personalities in racing will conduct an informal and informative seminar. Arrangements are being completed to present outstanding jockeys and horsemen to serve as the featured guests during the panel discussion.

A six-run uprising in the top of the ninth inning sent the Gettysburg College Bullets down to their first MAC defeat as Rutgers pulled an 8-4 verdict out of the fire here Thursday afternoon.

Trailing 4-2 going into the ninth, the Scarlet unleashed its power. Bob Clawson led off with a triple to right-center. After Lee Curley grounded out, Bill Eaton beat out an infield hit and stole second putting runners on second and third. Senior first baseman Jim Wakeling then stepped to the plate and uncorked a 2-0 pitch 390 feet to right field for a home run putting Rutgers ahead for good at 5-4. The Scarlet went on to bang out four more hits and, with the help of an outfield miscue, tallied three more times.

Rutgers jumped to a 2-0 lead after two and a half innings before Gettysburg knotted the count in the bottom of the third. A triple to right-center by Jerry Robertson, Rick Taylor's double to center and a single to center by King Gore accounted for the runs.

BULLETS TAKE LEAD

The Bullets moved in front with a run in the fifth when Taylor belted his second double and Gore followed with a single. The final Gettysburg score came in the bottom of the eighth when Bill Jacobson lashed a single to left, went to second on a wild pitch and scored on Mark Snyder's single to left.

Christ Arose, Leaving An Empty Tomb

EDITOR'S NOTE — "He is not here. He is risen" — so came the angel's message, referring to the Holy Sepulchre in Jerusalem. Visiting the traditional, hallowed site holds a special meaning to the Christian. This is the last of five articles on the shrines of the Holy Land.

PART 5

By GEORGE W. CORNELL
Associated Press Religion Writer
JERUSALEM, Jordan (AP) — It's strange, how minor things become more dear with passing years. A piece of lace. A faded letter. Dog-eared book. A song. A lock of hair. A place. That's how it is with Christians, seeking out the old mementos of their Lord's self-offering to men — the hill, the place He died, the tomb He occupied until . . . until that cataclysmic dawn that never dimmed.

" . . . they found the stone was rolled away. . . ."

Believers of the early period weren't particularly concerned with sites, terrain or objects. Apostolic records don't detail exact locations or accoutrements. All that was overshadowed by the unsurpassed event itself. This still is so.

And yet, with passing years, the ground and relics linked with Jesus' sojourn on the earth, like cherished keepsakes tucked away in some old battered trunk, have come to be a precious memory chest of Him.

Especially that tomb, the tomb that couldn't hold Him in. "He is not here. . . ."

ESSENCES OF EASTER

Today, through long tradition or investigation, two locales are singled out as likely settings of that mystifying day. My wife and I paid visits to them both. And each evokes its special essences of Easter.

One of them was found through late research — a garden-bordered tomb beside a skull-shaped hill 200 yards beyond the city's northern wall, outside the main Damascus gate. Gentle silences are there, an air of hushed and gracious wonder.

The other, first located in 325 A. D. by Empress Helena, the mother of the Roman ruler Constantine, and hallowed by 1,630 years of church tradition, lies ensconced within the Church of the Holy Sepulchre, inside the city.

SOMBER MYSTERY

The church is laden with compelling, somber mystery.

That element pervades the semidark and winding halls, the chambers, niches, chapels, vaults

THE CHURCH OF THE HOLY SEPULCHRE—This man now approached Pilate and asked for the body of Jesus. Taking it down from the cross, he wrapped it in a linen sheet, and laid it in a tomb cut out of the rock, in which no one had been laid before. The Church of the Holy Sepulchre has been venerated as the site of Jesus' crucifixion and burial for 1,630 years.

GOLGOTHA—Jesus was now taken in charge and, carrying His own cross, went out to the Place of the Skull, as it is called (or, in the Jews' language, Golgotha), where they crucified Him. This is the hill which some scholars consider the place of Jesus' crucifixion. The "garden tomb" is a hundred yards away.

and stairs. It moves in swaying flares of lamps and candlelight.

It wafts on heady waves of incense, curling wreath-like up the banisters. It shows in ancient altars, icons, art in bas-relief. It vibrates, tinglingly, in surging hymns that seem to come from everywhere.

Solemnity, of awesome power, fills that intricate and dimly lit sanctuary. You speak in muffled tones while there, despite the constant movement all around, the monks, the muted patter of the guides, the pilgrims, kneeling figures, shifting shadow-like about within the many-roomed interior, whispers thread through the strains of singing male choirs.

HOLD BURNING TAPER

You hold a burning taper in your hand to find your way.

" . . . they came unto the sepulchre bringing spices which they had prepared, and found not the body of the Lord Jesus. . . ."

A Moslem keeps the door, a task inherited along ancestral lines since Saladin bestowed the right eight centuries ago. Inside, the sundry shrines are held by four of ancient Eastern Orthodoxy's patriarchates and the Church of Rome, in separate jurisdictions.

Orthodoxy keeps the sepulchre itself, enclosed with a thick-walled block of altar cells, situated at the center of the main rotunda. The tomb is covered with a marble slab. You stoop beneath a squatting arch and edge along a narrow space to reach the hallowed spot.

NUN, BOY PRAY

A nun and little native boy were praying there. By accident, in those confining quarters, tall from my candle dripped upon the sister's folded hands. I murmured an apology. She never stirred, or seemed to notice, so absorbed was she in her devotions.

The little boy raised his eyes and smiled and stole away to make more room. We met him later on a darkened balcony. My wife and he talked softly. Said she, "I'm Episcopalian." He gestured at the many varied pilgrims passing by like nameless spectres. "All are same," he said.

Elsewhere, up and down and through that vast and honey-combed domain, are pillars, soaring, decorative altars, passages and cubicles, with glimmerings of candlelight to mark the sacred spots and chapels — one to Mary one where soldiers gambled for the clothes of Jesus, one where angels waited with the resurrection news, one to Longinus, the Roman officer who supervised the crucifixion, who, as stormy forces rent the earth and hid the sun, declared:

"Truly this man was the Son of God."

PILLARED CHAMBER

From dark and subterranean

true. Here, in pure and simple authenticity, without the churchly trappings, comes another sort of overwhelming impact. I exclaimed:

"This must have been the way it was."

This rock-hewn tomb "without the gate." This leafy-bowered garden spot. This skull-faced execution hill adjoining. It all conforms to Scriptural descriptions. British scholars drew attention to the spot about a hundred years ago, and certain findings since have tended to support it.

"GARDEN TOMB"

Aside from all the technicalities, however, whether here or elsewhere marks the actual site, this "garden tomb" reflects the natural features of the story. No buildings, monuments or other fixtures mar the scene. The inter-church group overseeing it has set a policy of keeping its original appearance.

No lighting, but the sun and stars. No music, but the birds and insects. No perfumed aromas, but the scent of cedar, peppery shrubs and purple-bloom in rosemary.

Beneath the entrance of the tomb, a long, wide groove provides a rolling track to hold the massive sealing stone in place. Nearby lies a broken chunk of it. Within the tomb, along one side, a six-foot limestone graveslab shows the greenish colorings of age. Here, presumably, He lay.

" . . . the angel said . . . He is not here: For He is risen."

2 OTHER GRAVESLABS

Two other graveslabs there were never finished. The record says it was a new-cut private tomb, not used before, provided by Joseph of Arimathea.

Beside the garden tomb, the bulge of limestone hill presents an ugly visage — odd formations in the rock resembling twin eye sockets, corrugated brow and facial bones of an enormous skull. The hill, in Jewish lore, from ancient times until today, has been regarded as a place of execution. Romans may have held their crucifixions there.

When it happened long ago, the followers of Jesus weren't inclined to venerate a spot where blood of countless criminals was spilled.

MELLOW WITH AGE

But with the mellowings of centuries, the faithful now find poignant retrospect in going back to where it all began. Events and acts remain the chief affair, but even these are known the more by treasuring their earthly frame.

Standing in this garden of a grave, this tabernacle of the open air, amid its flowers, shrubs and overhanging branches, seeing through the leaves the gaping tomb, you sense once more the moment Mary Magdalene was here, and recognized His footsteps, saw His face and heard

Him call her name.

"Mary."

"Master."

"Touch me not . . . but go to my brethren and say unto them, I ascend unto my Father and your Father, and to my God, and your God."

Byrd Apple Canning Burns; \$500,000 Loss

BERRYVILLE, Va. (AP) — Flames gutted a portion of the H. F. Byrd apple canning plant here Wednesday night, causing damage

estimated at \$500,000.

The roof of the central of three sections collapsed shortly after the fire broke out about 8 p.m.

Fifteen fire units from communities in the northern Shenandoah Valley battled the blaze before it died down about 1 a.m.

The plant is owned by the family of U. S. Sen. Harry F. Byrd, D-Va.

Preliminary investigation indicated the fire started in the packing and processing department. The cause of the fire has not been determined.

Get Strength For Devoted Discipleship

A QUESTION OF GUILT
By REV. DR. R. W. KOONS
Pastor, Christ Lutheran Church

At the Last Supper, Jesus warned His disciples that one of them would betray Him. Immediately all of them began to ask, "Lord, is it I?" That question is admirable in its forthrightness. It is the key to Leonardo da Vinci's familiar interpretation of this incident, Christ alone is depicted as being calm, while all the disciples are deeply disturbed by the Master's accusation.

The picture of those 12 men, struggling under the possibility of their own guilt, is instructive for us. For one thing, it points up the fact that even the most devoted follower is subject to the danger of betrayal. Past achievements are no exemption from future failures. Eternal vigilance is the price of loyalty; and the person who is so sure of his steadfast dependability as to be complacent about it is precisely the one who is openly vulnerable. St. Paul knew that when he said, "Let anyone who thinks that he stands take heed lest he fall."

FIND ABUNDANT LIFE

And, of course, standing in the company of Christ means that we have had entrusted to us so much that could be betrayed! He has let us in on the open secrets of God, and there is a great deal that we can sell out against Him. He has told us of the Father's unremitting challenge to overcome evil with good; He has shown us that greatness lies in the direction of taking up a daily cross to follow Him; He has bid us find the abundant life by losing ourselves in consecrated service; He has told us we are to love all men, even as He has loved us; He has laid upon us both the glowing

promise and the stern requirement of forgiveness. Any of this we are in danger of regarding so cheaply as to exchange it for some degrading bribe that life has to offer. So we must know first of all that being a disciple lays us open to the possibility of betrayal — in the small matters and large — with the spectre of guilt to follow.

Furthermore, we learn from this familiar scene that the question of such guilt is a very personal one. When Jesus made His sad pronouncement, "One of you will betray me," each one of the

12 immediately thought of himself and asked with distress, "Lord, is it I?"

INDIVIDUAL REPENTANCE

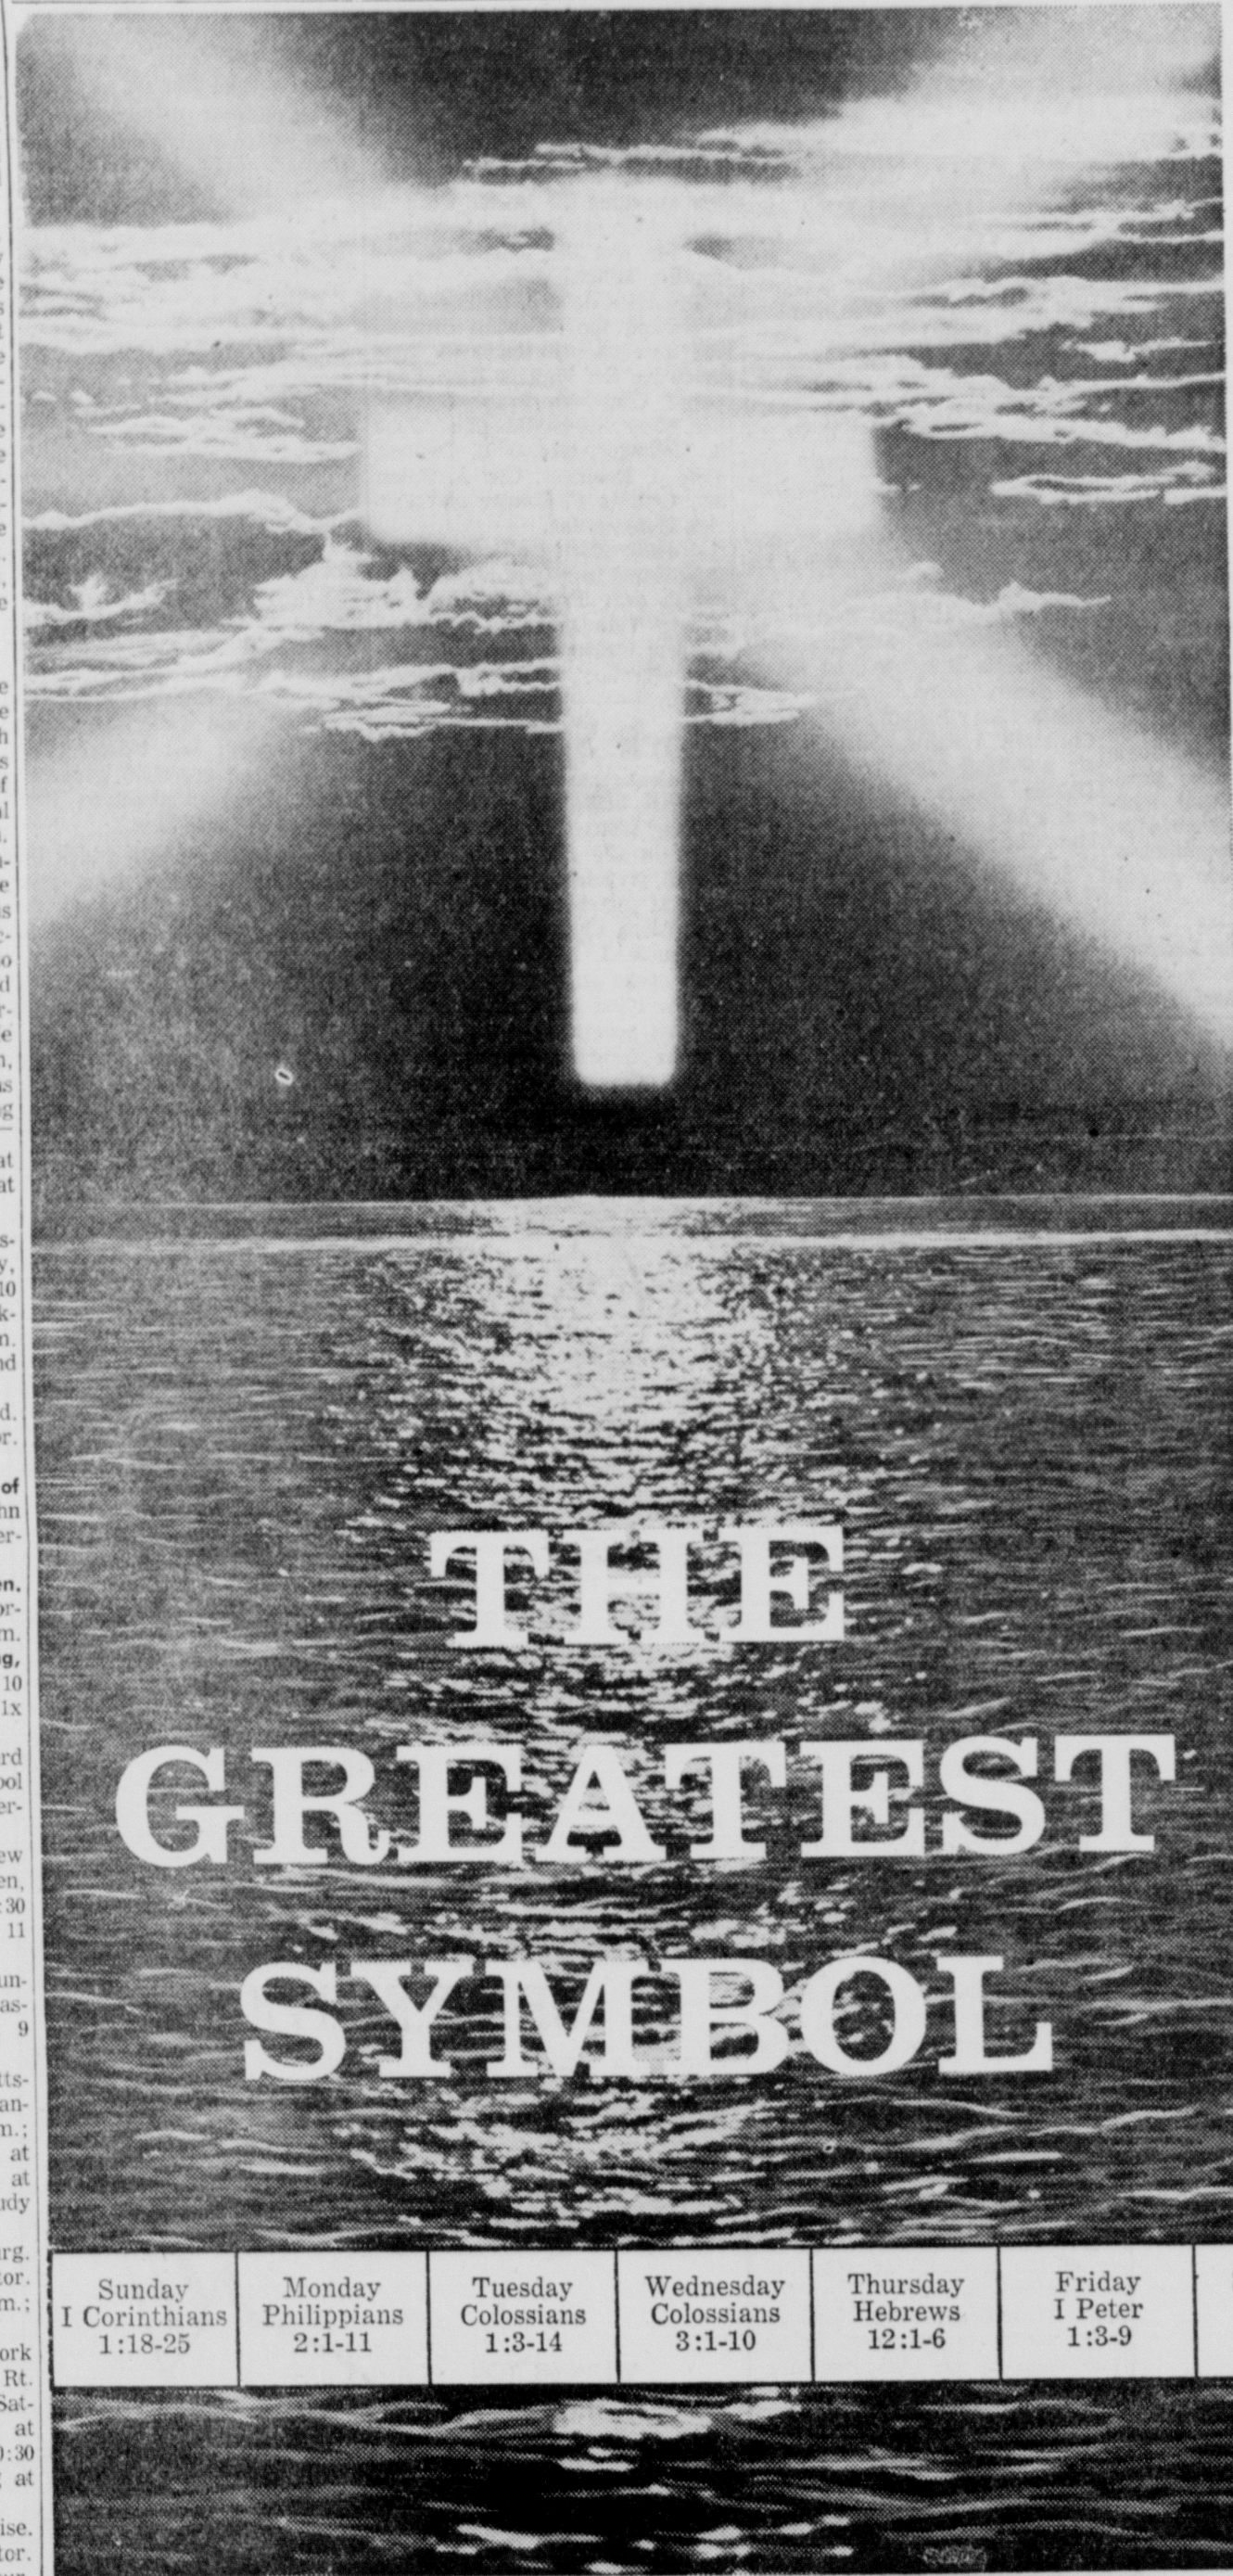

John did not turn to Peter and say, "I'll wager Thomas is the one; he was ever doubtful of the Master's claims." Philip and James did not whisper to one another, "I wonder who it could be? Matthew or Bartholomew? Or perhaps Simeon. He has been strangely quiet these past days." They did not by such means try to shift the responsibility or fix the guilt in someone else. In-

stead, each one brought himself under scrutiny, "Lord, is it I?" And there is admirable forthrightness in that. We, too, in the face of our own betrayal and guilt, should not try to shift the burden of it off on someone else. We are so prone to involve others in the blame of what we are or do, to attribute our failures to an unhappy set of circumstances in life, even to accuse God! But there is always that point of personal responsibility and individual repentance, where one must join these disciples and share the spirit of their earlier counter-

part who said, "Against thee, thee only, have I sinned and done this evil in thy sight." We know the incriminating "yes" that resounds when we ask, "Lord, is it I?"

But we must remember finally, and always, that the question arose in the context of our Lord's Supper, and that on the eve of His total giving of Himself in suffering love for our forgiveness and redemption. As He once spoke to the disciples in the midst of a storm, saying, "It is I, be not afraid," so He comes in the midst of the turmoil of our guilt to say

the very same thing in a variety of ways. It is His will to strengthen us for increasingly devoted and vigilant discipleship. Again and again He offers us the grace of His presence and of His pardon. And always it is a manner of His turning the words of this question of guilt into a declarative answer: "Disciple, it is I. I am come, not to condemn, but to save. Here is the offer of my life, my love, my all. Will you accept the offer, and arise and go your way to newness of life, and holiness of purpose, and the unending benedictions of my grace?"

Since the first Easter, the Cross has remained the one great and enduring symbol of Christianity because it best expresses the meaning of faith. Like a precious jewel, the Cross shines with many facets of truth.

† The Cross signifies the hope of faith. It reveals God's love for us in the sacrifice of His Son. It is our assurance of His promise of salvation.

† The Cross signifies the challenge of faith. It reveals God's love for all men which we must share. It is the motivation of Christian action.

† The Cross signifies the victory of faith. It is the pledge of God's loving purpose in saving the world. It is the source of peace.

What does the Cross mean to you? On Easter — this greatest festival of our Faith, will you come to Church and discover its message?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

FEDERAL AID REQUESTED BY COAST STATES

By DORMAN CORDELL
ATLANTIC CITY, N.J. (AP)—

Federal action to build permanent shore protection and to provide financial assistance to persons who suffer property losses in storm has been requested by 12 Atlantic Coast states.

The requests were made at the end of a day-long conference on shore protection here Wednesday, which was called by Gov. Richard J. Hughes of New Jersey in the wake of last month's severe north-easter.

Hughes pointed out that Atlantic Coast states have suffered more than \$1 billion in losses due to storm and erosion since 1946.

LED BY UDALL

The governors of Massachusetts, Delaware, Maryland and Virginia also attended, as did high officials of Connecticut, Florida, Georgia, New York, North and South Carolina and Rhode Island.

Secretary of the Interior Stewart L. Udall led a delegation of federal officials to the conference. Udall, who spoke twice, suggested that wildlife refuges might be established in some of the storm-damaged areas and also that some sites might be made national seashore recreation areas.

Gov. Elbert Carvel of Delaware proposed the resolution asking for permanent shore protection.

The resolution requested that money be appropriated to the Army engineers for a survey of what facilities are needed for permanent shore protection.

ASK IMMEDIATE STUDY

Another resolution, introduced by Gov. John Volpe of Massachusetts, asked for an immediate study by Congress of programs to assist individual property owners, including implementation of the 1956 Federal Flood Insurance Act.

The 1956 law, which provides for assistance to offset the high cost of flood insurance premiums, was never put into effect because money was not appropriated for it.

President Kennedy, with whom Hughes discussed the idea of the conference several weeks ago, said Wednesday in a telegram that any suggestions made during the meeting would be brought to his attention.

TEST ISLAND IS BUSY SPOT IN PACIFIC

HONOLULU (AP)—Christmas Island, the U.S. nuclear test site, is hot, soggy, and a feverishly busy speck of land in the Pacific.

Antennas sticking up all over give the coral atoll the appearance of a pin cushion.

Nuclear tests are scheduled at the 222-square mile British possession this month. The antennas apparently are to pick up or emit signals connected with the tests.

Workers returning from the island say about 1,600 civilians are employed there and at Johnson Island, 700 miles west. Both will be used for high and low-level blasts.

Some workers, complaining of the heat and humidity, quit their jobs in mid-contract. The island is just north of the equator, 1,300 miles south of Hawaii.

The 1,600-foot runway at Christmas Island was described as busier than the civil and military runways at Honolulu International Airport.

One worker said the ocean is dotted with submarines. Navy

SALES TAX CHIEF EXPIRES AT 44

HARRISBURG (AP)—Funeral services will be Saturday for Joseph C. Snyder, first chief of Pennsylvania's Sales Tax Collection Bureau under former Gov. John S. Fine.

Snyder died of an apparent heart attack Wednesday shortly after visiting a doctor. He was about 44.

Lemoyne Police Chief James L. Clark said Snyder, who had a heart condition, was driving along South Third Street in Lemoyne when he became ill. He stopped the car and turned off the ignition, but the car began to roll backward downhill. An unidentified passerby jumped in and guided it to a safe stop.

Snyder was pronounced dead about 20 minutes later.

A Republican, Snyder headed the state's Sales Tax Division until the Democrats took over Capitol Hill in January, 1955. In recent years, he served as budget analyst for Rep. Albert W. Johnson, House Republican floor leader.

Survivors include his widow, one daughter and two sons.

WIN \$175,000 AGAINST TIME

NEW YORK (AP)—A Supreme Court jury has awarded a hosiery executive and his wife \$175,000 after ruling the privacy of the former Pennsylvania was invaded in an article published in Life Magazine.

The jury deliberated for more than two hours Wednesday before returning a 10-2 verdict in favor of the couple.

The intense equatorial heat was said to be affecting many of the 2,000 Americans and 400 British military men who make up Joint Task Force 8, the U.S. nuclear force.

SAYS BRITISH TV HUMOR NOT SAME AS U.S.

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK (AP)—Brad Ashton, who writes a 45-minute Saturday night comedy show on the British commercial network, returned to London this week after a busman's holiday in New York.

In two weeks, he crammed a lot of television-viewing into his schedule—and was positively overwhelmed by what he saw.

"I tell you," he marveled, "the way you people can poke fun at anyone. We've so many tabus in England—we can't make any

of James J. Hill and his wife, Elizabeth, formerly of Whitmarsh Township, Pa., but now of Old Greenwich, Conn. The verdict was against Time Inc.

The invasion of privacy charge stemmed from Life publishing an article Feb. 28, 1955, entitled "True Crime Inspires Tense Play."

HELD HOSTAGES

The Hills were reportedly mentioned and a photograph of their former home in Whitmarsh township displayed in the magazine. They had been held hostages for 19 hours by three convicts who escaped from the federal penitentiary in Lewisburg, Pa., Sept. 12, 1952.

In 1954 Joseph Hayes wrote a novel titled "The Desperate Hours" which described a fictional jailbreak near Indianapolis by three convicts who invaded the home of a family there. The book was subsequently adapted into a play which opened on Broadway on Feb. 10, 1955.

The Hills charged the Life article exposed them to "extensive and undesirable publicity" and they "suffered great emotional embarrassment." They had sued for \$50,000 for invasion of privacy.

jokes about the queen or the royal family, for instance. But what your comedians say about your President and his wife!

"We aren't allowed to joke about commercials, either, and you people do that all the time."

SPEED AND TEMPO

Perhaps even more impressive to Ashton was the speed and tempo of American television humor.

"In England, we aim for about five laughs a minute from our audiences," he said, "and at least a quarter of them come from pies in the face, trousers falling down, and roofs falling in."

"American comedians aim for character and warmth—not necessarily comedy. They get away with subtle comedy we could never understand it. I asked one of your comedy writers if he tried to tailor his material for the hick town audiences, and he said that you don't have any hick towns anymore."

NEW NEWS TEAM

Now there's talk that CBS will try to fight NBC's winning news combination of Huntley-Brinkley, by teaming up Walter Cronkite with David Schoenbrun, the network's Washington head news man.

Better they should team Walter up with Dave Garroway, who is reported to be talking to the network about some work. He's definitely lined up to preside over the telecast of the Miss Universe beauty contest in early summer.

THREE MORE INDICTED IN GAMBLING RAID

PHILADELPHIA (AP)—A federal grand jury has indicted three more men in connection with a gambling raid last January in Reading, Pa., bringing to 22 the number indicted so far.

The three, all charged with perjury, were Carl J. Bartholomew, Pottsville, and Harry J. Leonti and Samuel S. Lombardo, both of Reading.

Immediately after the indictments were handed up Wednesday, Chief Judge Thomas J. Clary of U. S. District Court issued bench warrants and set bail at \$500.

The grand jury charged the three men with giving false testimony regarding their employment by or attendance at the alleged gambling establishment, raided Jan. 21 by more than 100 armed FBI agents.

Of the 22 indicted so far, seven are charged with perjury and 15 with violating the federal antiracketeering law.

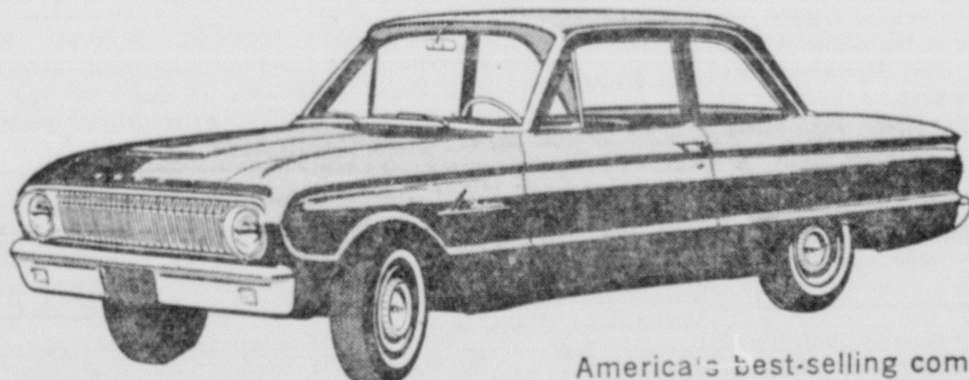

The grand jury also heard testimony Wednesday from Berks County Dist. Atty. Frederick O. Brubaker, the first of several city and county officials expected to testify. He was on the stand for two and a half hours.

Reading Mayor John C. Kubacki has been called to testify next Tuesday.

Mrs. M. B. Wehler, president, presided for the business period and heard the reports of Mrs. William I. Straley, acting secretary, and Mrs. George C. DeHoff, treasurer. The class decided to purchase coffee servers for use in the church dining room. Mrs. Charles A. Hofe and Mrs. Clement Sneringer were appointed to serve as a committee to purchase additional dishes needed for the church kitchen. The Ladies' Aid Society will share in this project.

The class made plans to serve the following banquets: May 1, to the Women's Bowling League of Littlestown; May 3, local Lions Club ladies' night; May 17, Churchmen's Bowling League. New draperies, including the altar backdrop, will be installed in the Adult Department Sunday School room by the class. Mrs. Glenn S. Kauffman presented a report on inquiries concerning this project. The guess package, contributed by Mrs. P. Bernard Weaver, was received by Mrs. Wehler. Refreshments were served to the group by Mrs. Spangler, Mrs. Weddle and Miss Lillian Demmitt.

The Hustlers will meet again Monday, May 21, at the church. The hostesses will be Mrs. William Straley, Mrs. George I. Bemiller and Mrs. Clayton L. Evans.

CLUB TO MEET

The Littlestown Home Economics 4-H Club will meet after school on Monday in the social room of St. Paul's Lutheran Church. The group will have reorganization for the coming meeting season.

President Woodrow Wilson's administration paid Denmark \$25 million in gold for the Virgin Islands, as a defense measure in World War I.

All Legionnaires who can do so are asked to be at the post home at 12:30 p.m. to assist with preparations for the hunt.

Church Is Filled On Holy Thursday

The parishioners of St. Aloysius Catholic Church filled the auditorium for the Holy Thursday Mass and ceremonies Thursday evening. Following the Mass, which was sung by the Senior Choir, there was a procession of the Blessed Sacrament with the children of the school participating. Twelve girls carrying bouquets of red and white carnations were flower girls and formed the honor guard for the Blessed Sacrament. They were Audrey Rohrbach, Susan Smith, Sharon Trone, Darlene Schuchart, Lara Gouker, Judith Honeycutt, Kathleen Collins, Kathryn Redding, Barbara Honeycutt, Patricia Thomas, Jolene Gingrow and Patricia Pfaff. At the Gloria of the Mass the bells rang for a few moments and then were silent to remain son until the Gloria of the

midnight Mass on Easter. The organ also will remain silent until that time.

The Blessed Sacrament was taken from the altar and will remain in the Repository until the liturgical service of the Passion and Death of Christ at 7:30 o'clock this evening. Easter vigil ceremonies will begin at 10:30 p.m. Saturday to be followed by a High Mass at midnight. A Jesuit priest from Woodstock, Va., is here to assist the pastor, Rev. Dr. John E. Metz, with Holy Week services and confessions.

JAYCEES TO MEET

The Board of Directors of the Littlestown Junior Chamber of Commerce will meet in the Starlite Room, Dutterer's Restaurant, at 7:30 p.m., Monday. The second April meeting of the Jaycees will be held on Thursday, 6:30 p.m. in the Starlite Room.

Pennsylvania Christians Commemorate Crucifixion And Death Of Jesus Christ

By THE ASSOCIATED PRESS
Thousands of Pennsylvania Christians today commemorated the Crucifixion and death of Jesus Christ 2,000 years ago on this solemn Good Friday marked by church services throughout the state.

Atop South Mountain, overlooking the city of Bethlehem, stood a 100-foot cross, illuminated at night, symbolizing the cross on which Christ was hanged on another Friday 2,000 years ago.

In churches, altars were bare and vestments dark, reflecting sadness.

MANY PLACES CLOSE

State offices, banks and many businesses in Pennsylvania closed for the day or at least part of it.

At the Cathedral of SS. Peter and Paul in Philadelphia, the Most Rev. Joseph Yuen, exiled bishop of Honan, China, presided at Tenebrae followed by three-hour agony services at noon.

The Most Rev. John J. Krol, archbishop of Philadelphia, announced a Liturgy of the Passion and Holy Communion at which he scheduled himself to preside.

Other services announced included meditations in St. Stephen's Church of Philadelphia conducted by the Right Rev. Oliver J. Hart, bishop of the Episcopal Diocese of Pennsylvania.

The traditional Holy Week services continue Holy Saturday and Easter Sunday with many Easter Sunday sunrise services planned, including the Moravian sunrise service in the Central Moravian Church in Bethlehem with six congregations participating. This is a more than 200-year-old tradition.

SUNRISE SERVICE

The Pittsburgh Council of Churches also is sponsoring a sunrise service at 6 a.m. Sunday in the civic Auditorium. It will include a 100-voice choir, brass ensemble and address by Bishop W. Vernon Middleton of the Methodist Church.

Christians on Thursday observed

Holy Thursday with special ceremonies and devotions in many places of worship to mark the anniversary of Christ's last supper with his disciples on the eve of his Crucifixion.

Meanwhile, hundreds of Pennsylvanians began the long holiday weekend late Thursday, with more to follow today.

HEAVY TRAVEL

A Greyhound Lines dispatcher said passenger traffic in Philadelphia terminals was running about 50 per cent above normal Thursday.

A spokesman for the Pennsylvania Railroad said every extra car would be pressed into service to accommodate weekend crowds. State Traffic Safety Commissioner O.D. Shipley and State Police Commissioner Frank G. McCartney issued a plea to motorists to exercise extreme caution.

McCartney said "the strictest enforcement" of motor vehicle laws would be in force beginning at 4 p.m. today and continuing through 8 a.m. Monday. McCartney said there would be maximum patrol coverage during this period.

Oksanen, 31, Is Marathon Winner

BOSTON (AP)—Eino Oksanen at 31 must be ranked a top candidate for the 1964 Olympic marathon in Tokyo, until proved otherwise.

The police detective from Helsinki, Finland, captured his third Boston A. A. Marathon classic Thursday in 2:23:48 for the 26-mile, 385-yard course from suburban Hopkinton to Boston.

Though Oksanen does not care to look as far ahead as the Olympics, this smooth-striding machine with the thatch of bobbing reddish hair proved himself more than a match for the field of 181 starters.

Over the last 10 miles, Oksanen's only serious rival was countryman Paavo Pystynen, 30, a career army man. He shot away from him some five miles from the finish and beat him by 350 yards, a revenge victory. Oksanen, rated the top marathoner in Finland, was leading the national championship race last year when a cramp slowed him down and Pystynen came home ahead of him.

NFL Player Pension Plan To Be Started

PHILADELPHIA (AP)—The player pension plan of the National Football League—featuring a 40 per cent fixed income and 60 per cent diversified investment basis—is expected to be activated in 1962.

The plan, known in the league as the benefit program, already has \$1 million in the till and expects \$500,000 annually beginning this year.

Pete Retzlaff, president of the NFL Players Association, said Thursday the plan has gone so far as to be submitted for an Internal Revenue Department opinion.

Under the plan, players with five years or more service dating from 1959, will be eligible for benefits.

WHITE YOUTH IS KILLED IN RACIAL FUSS

AUGUSTA, Ga. (AP)—A white teen-ager died in a burst of gunfire and a companion was wounded Thursday night in racial violence which has ripped this east Georgia city spasmodically since Monday.

Police said Jack Lutties, 16, was killed as he and two friends cruised through a Negro neighborhood in a car containing an air rifle and a sack of rocks.

Shortly after the shooting, Mayor Millard Beckum made a television appeal for calmness and pledged full police resources to maintain order.

There were numerous arrests during the night, but Police Lt. M. C. Watkins said none were in connection with the shooting. Among those arrested were two Negro men and a Negro woman who were in a car which contained a shotgun. They were booked on a charge of late hours and having a weapon, Watkins said.

12 ARE ARRESTED

Seven white youths and five Negroes were arrested during the night and earlier in the day on various charges, mostly loitering and carrying weapons.

Some of the white youths had been cruising through Negro areas where there had been reports of windows broken by rocks and dented automobile fenders, Watkins said.

In the car with Lutties when he was killed were George Lewis, 15, and Eddie Gay, 16. Lewis was wounded and his condition was reported satisfactory at a hospital.

Negroes began picketing two supermarkets Monday. They said they were seeking employment opportunities at the stores owned by B. D. Hammack.

Hammack told a delegation several days ago that he did not intend to hire Negro butchers and cashiers as requested.

Knudson Leads In First Round

HOUSTON, Tex. (AP)—"I was putting like gangbusters, wasn't I?" grinned young George Knudson after he took the early lead in the \$50,000 Houston Classic golf tournament.

Knudson, of Toronto, shot a four-under par 66 on the rugged Memorial Park Municipal Course for his 18-hole lead Thursday. Jacky Cupit of Longview, Tex., and Jay Hebert of Lafayette, La., were right behind him at 67.

Hebert, who plays golf out of Miami, Fla., is the defending champion.

"I bought a new putter in Mobile in November, and I've been going good ever since," Knudson said. "I've won three times since then and finished second once."

\$2 Bet Wins Fan \$11,568 Double

CHARLES TOWN, W.Va. (AP)—Orestes Lass (\$14) was a galloping winner in the eighth race at Shenandoah Downs Thursday night and one lucky fan rode with her to the tune of \$11,568.40 for a \$2 bet on the twin double.

The unidentified player was the only one in the crowd of some 4,000 who had Orestes Lass in the race, last in the pool.

NEW YORK (AP)—Sam Sneed celebrates his 50th birthday next month—May 27—and guesses what he may get himself for a birthday present? A pair of spectacles.

"Fred Corcoran says my putting troubles may be due to failing eyesight," the slapping man from White Sulphur Springs, W. Va., said today. "I don't think so. But I'm willing to take some tests to find out."

"I'm not proud. I would wear binoculars if I thought they would help my putting."

Spectacles—if at all—apparently would be Sneed's only concession to advancing age.

"Physically, I feel wonderful," the slammer said. "I figure I can keep playing in tournaments until I'm 60."

WILL LAUNCH MOON ROCKET FOR TV SHOTS

CAPE CANAVERAL, Fla. (AP)—The moon moves into a favorable position next week and the United States is ready to launch a gold-and-chrome-plated Ranger 4 spacecraft toward it to take closeup television pictures and record moonquakes.

Scientists hope that modifications made in the booster rocket and spacecraft will eliminate previous troubles.

A similar payload, Ranger 3, missed the moon by 22,862 miles Jan. 18 after a guidance malfunction resulted in excess speed by the Atlas-Agena B rocket. And a circuitry error prevented the camera aboard Ranger 3 from snapping lunar pictures when the payload reached its nearest point to the moon before zipping past and into orbit about the sun.

TO PARE THE WAY

Monday is the first day of four days when the moon—about 235,000 miles away—will be in a desirable position for the launching. If the rocket cannot be fired during this period, the shot will be postponed until the next favorable period starting about May 20.

Ranger is the first of many instruments sent to the moon by the National Aeronautics and Space Administration. It is intended to pave the way for landing American astronauts there later in this decade.

cooked ham, takes the weekend feature spotlight in most stores. Present wholesale prices on pork loins and Boston butts are 4 to 5 cents a pound below a year ago, with loins at the lowest point in more than a year. The low levels probably won't last, however, as marketings will drop off seasonally from now until mid-summer.

HAVE MANY TURKEYS
Supplies of turkey in frozen storage are still much larger than normal for this time of the year. This is keeping wholesale prices several cents per pound below a year ago and should encourage Easter promotion at favorable retail prices. Beef ribs are another possibility for Easter and, although wholesale prices on most beef cuts are above a year ago, ribs sections have moved lower to a point below last year.

The spring outlook for fresh vegetables indicates a continuation of higher prices with production reportedly 19 per cent below year-ago levels. Major production cutbacks have been for spring cabbage, celery, cucumbers, eggplant, lettuce and peppers; larger amounts of beets, carrots and corn can be expected.

Shoppers will find supplies of some vegetables increased this week as more sections have started to harvest spring crops. Asparagus shipments from California are at their peak; New Jersey will begin in about one week. Lower cabbage prices are anticipated as harvesting is underway in Georgia and South Carolina. Celery remains high in price as supplies continue inadequate to satisfy demand. Endive, escarole, radishes, broccoli, both new and old-crop potatoes and mushrooms are in plentiful supply and priced accordingly.

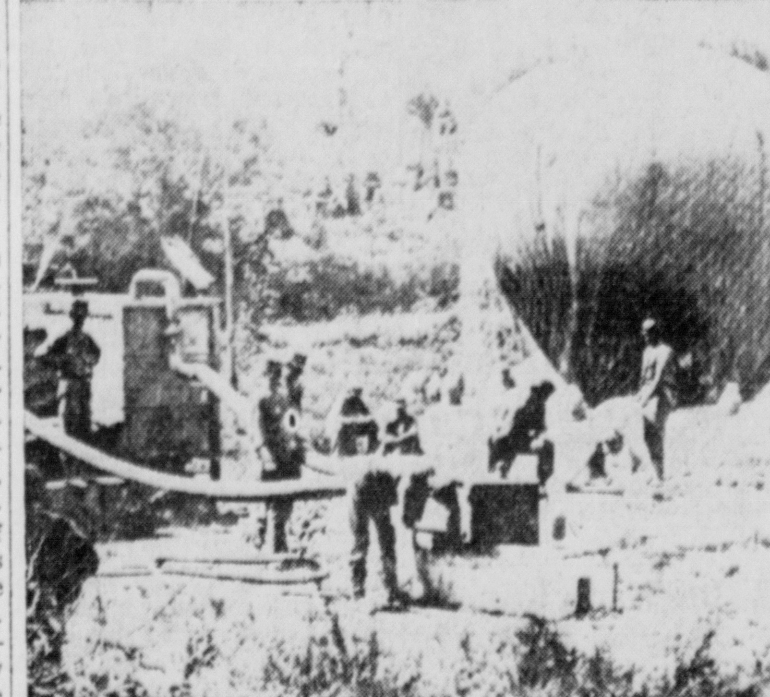

Consumption of apples seems to be running at a somewhat better rate than a year ago. Red Delicious, McIntosh and Rome varieties are available at firm prices. The USDA estimate of the orange and grapefruit crops in Florida was recently increased by one million boxes for each, giving promise of continued good buys for consumers. Avocados and Emperor grapes likewise offer economy at the fruit counter.

TARGET: "STAR OF SOUTH" Fierce Naval Battle On For New Orleans, La.

Farragut's Forces Hammer Away At Defending River Bastions

NEW ORLEANS, La., April 24—A massive land and sea battle is under way with the City of New Orleans, star of the South, the Union objective.

At dawn today, a fleet of 20 Union warships commanded by Capt. David G. Farragut stepped up its week-old attack on forts and ships defending New Orleans, and the battle began in earnest.

Primary targets for the Union gunners were Forts Jackson and St. Phillip, which command the major approaches to the historic, rich metropolis.

IN THE past week Farragut's guns have sailed more than 15,000 rounds against the forts, but their guns still were active at the beginning of today's hostilities.

Farragut's flagship, the USS Harford, was damaged and run aground after being rammed by a Confederate fire-ship, but was refloated in time to participate in the windup of the action.

A major loss to the Union was the sleek warship USS Varuna, a 10-gunner noted for speed and mobility. She was mortally damaged by guns of the Southern sidewheeler Moore.

During today's predawn conflict the skies were as bright as daylight.

Southern forces on shore lit huge bonfires to illuminate the Northern fleet, and throughout the

battle, Rebel fire-barges moved in ghostly fashion in and around the towering invading ships.

The pounding of the guns reached a peak about 4 a.m. when, in a daring move, Farragut led his fleet into a channel blasted through a protective boom below the forts.

LEADING a brief counterattack was the Confederate ram Manassas, secure in heavy armor plate. She rammed the first of the Union ships, but was hastily beaten off and finally was run aground.

After sinking the Varuna, the Moore bowed to concentrated fire of smaller federal ships, and finally was run aground and sunk with a loss of 60 dead and 20 wounded.

Farragut then regrouped his battered forces into assault formation and headed upriver toward New Orleans, which is being defended by Confederate Maj. Gen. Mansfield Lovell and his 3,000 troops.

A Union force estimated at 18,000, under command of Maj. Gen. Benjamin F. Butler, reportedly is enroute to New Orleans to bolster Farragut's sea attack with a land assault.

Episcopal Prelate Raises Money To Train Catholic For Service In The Congo

By BERNARD KENNEDY
DETROIT (AP) — An Episcopal prelate, demonstrating to an unusual degree the prevailing spirit of cooperation among religious groups, is leading a drive for money from his flock to help train Catholic priests for missionary work in the Congo.

The idea was that of The Very Rev. John J. Weaver, dean of the Episcopal Cathedral of St. Paul. "But the inspiration," said Dean Weaver, "came from God."

Dean Weaver was moved after reading, in a Protestant publication, an account of how 21 members of the Holy Ghost Fathers were massacred by soldiers at Kongo, on the upper reaches of the Congo River, last New Year's day.

\$180,000 GOAL

First reports put the number of dead at 18, and Dean Weaver set his goal at \$180,000—or \$10,000 for the training of each replacement. Even that, he admitted, might be difficult to achieve.

"It may take three or four years, but we won't stop," he said. "We feel it is worthwhile if it helps in making us all one."

Dean Weaver said the opportunity for the drive came at a time when he and his two canons, or assistants, were contemplating a practical effort in the area of religious unity.

"How can you explain that," he asked, "except that it comes from God?"

Many of the 1,500 parishioners of St. Paul's—including some of the 500 Negroes which make it the largest biracial parish in the U.S.—have responded with contributions.

APPEALS FOR HELP

There is to date no actual accounting of how much money has been collected. Contributions received by Dean Weaver are sent unopened to Father Francis B. Stocker of the Holy Ghost Fathers junior seminary near Ann Arbor, Mich.

"The money is coming in slowly but we feel the drive is off to a good start," said Father Stocker, who himself has helped spread word of the drive by writing personal letters of thanks to contributors and urging them to tell others about it.

2 TEEN-AGERS IN SPOTLIGHT AT SWIM MEET

By JACK STEVENSON
Associated Press Sports Writer
SACRAMENTO, Calif. (AP) — Teen-aged girls held the spotlight in the 1962 AAU National Women's Indoor Swimming Championships today after blustery weather failed to check record breaking performances.

Two meet records and one American mark went into the books after only four events of this three-day program. A pair of 16-year-olds from opposite ends of the nation set the records.

This indoor meet is being held outdoors at the Arden Hills Tennis and Swimming Club in its 25-yard pool. AAU officials pointed out that it isn't unusual for the meet to be held outside, because the size of the pool and not its location is the deciding factor.

FIRST NATIONAL TITLE
Sharon Finneran of Los Angeles captured her first national title, winning the 400-yard individual medley in 4 minutes, 52.9 seconds. That bettered the 4:55.5 of last year by the now retired Becky Collins. Sharon set American and meet records.

After nearly a year's delay because of troubles in developing powerful liquid hydrogen as a propellant, the Centaur was scheduled for its maiden flight two weeks ago. But bad weather wiped out two dates and fuel pressure problems in the Atlas first stage postponed a third.

HOUSTON, Tex. (AP) — Two men faced a rare charge Thursday—dueling with pistols.

Walter Williams, 29, and Jimmie Craig Fondal, 22, both of Houston, refused to talk about it.

Police said they had had an argument in a recreation hall last Friday. They went outside, police said, walked 25 paces, turned and fired.

Both were wounded. Fondal was hospitalized in a fair condition and Williams was jailed.

The charge, which carries a penalty of two to five years, has been made only once before in Harris County in 50 years.

PARISH WOMEN
WILL ATTEND
CONVENTION

Plans were completed for attendance at the 37th annual convention of the Harrisburg Diocesan Council of Catholic Women at the April meeting of the St. Aloysius Parish Council Wednesday evening in the all purpose room of the parochial school. The convention will be held on Monday, April 30, with sessions at the Bishop McDevitt High School, Harrisburg. The convention mass will be sung by the priests' choir at 5 p.m. in St. Patrick's Cathedral. Four concurrent work groups will be held from 10:45 to 12:45, emphasizing personal, family, community and world through the various committees. The closing banquet will be at 7 p.m. at the high school. The convention theme is "The Catholic Woman, Valiant Co-worker in the Household of the Faith," and the dedication "Mary, Queen of the Apostles."

Mrs. Z. W. Sanders, president, was in charge of the meeting which opened with prayer. The pastor, the Rev. Dr. John E. Metz, spoke briefly, urging all the women to attend the services being held in conjunction with the Easter season and noting that this would be the last important liturgical season that would have to be held in the auditorium; that the renovated church will be ready for use within a few months. Reports were heard from Mrs. Bernard Kuhns and Mrs. P. K. Hymiller.

Prisoners Hold
Hunger Strike

PITTSBURGH (AP)—Some 650 prisoners at the Allegheny County Workhouse staged a partial hunger strike Thursday but refused to tell Superintendent Lawrence Keenan the reason for their protest.

Keenan said, however, that the overheard remarks about the food and the lack of recreational facilities. He said the problem "probably will be worked out in a couple of days."

Only about 100 of the workhouse's 750 prisoners showed up for the noon meal of sauerkraut, potatoes and kolbassi. Keenan said, but about 350 came for the evening meal, consisting of the warmed-over noon lunch plus beans, cold cuts and potatoes.

Keenan denied charges by Edward G. Wright, president of Local 95, Workhouse Guards Union, that some prisoners were receiving favored treatment.

Wright and workhouse officials have been feuding several days, since Wright claimed the workhouse does not have enough guards.

TROTTER GROUP
BUYS NEW LAND

WASHINGTON, Pa. (AP)—The Washington Trotter Association has picked up its option on land where it proposes building a \$4.5 million harness racing track.

The association acted Thursday night only a short while before its option on the McCarroll Farm was to have expired.

The Pennsylvania Harness Racing Commission has yet to officially approve the site.

But Joseph Lynch, general manager of the association, said the group acted after Commission Chairman Lawrence B. Sheppard told him by telephone that it was safe to pick up the option.

Lynch said the next step is to consult architects and engineers on plans for the new track, which is to be built on a 322-acre tract about four miles from Washington near the intersection of Route 19 and Quail Hill Road.

Construction bids, Lynch said, should be returned by August or September and the track should be ready for use by May, 1963.

Myers and Mrs. Janet Bless; secretary, Mrs. Ruth Crouse; treasurer, Mrs. Ruth Fuhrman and Mrs. Mary Sheely; conductress, Mrs. Louise Myers and Mrs. Susan Oiler; inside guard, Mrs. Sara McMaster and Mrs. Anna Mellem; outside guard, Mrs. Lois Milarde and Mrs. Dorothy Laughman; trustees, Mrs. Florence Sheely, Mrs. Marjorie Schaefer and Mrs. Carrie Halter. Election will take place at the next meeting on May 2 when Mrs. Louise Myers and Mrs. Marjorie Schaefer will serve as hostesses.

The committee for the weekly public parties during May includes Mrs. Betty Spaulding, Mrs. Mabel Rittase and Mrs. Ruth Hobe. The guess package was received by Mrs. Patricia Carbaugh, Mrs. Evelyn Staveland, president, and heard the reports of Mrs. Florence Sheely, Mrs. Ruth Crouse and Mrs. Rita Hoke. At the conclusion of business, refreshments were served by Mrs. Evelyn Yingling and Mrs. Margaret Reinaman.

● In Memoriam D

EPILE: In loving memory of our beloved husband and father, Dewey J. Epley, who passed away four years ago today, April 20, 1958.

A happy home we once enjoyed. Home sweet the memory still. But death has left a loneliness The world can never fill.

We who loved you sadly miss you. We who held you very dear. And in lonely hours of thinking Often feel your presence near. Though God has taken you away You are with us every day.

Oh, since then our lives are saddened, Since that day our hopes are vain; But his voice seems sweetly saying, Courage, we shall meet again.

When evening shadows are falling, And we are sitting all alone: In my heart there comes a longing, Dewey, if you only could come home.

We loved you and miss you so much, His Loving Wife, Reba; Son, Geary, and Family; Daughter, Mrs. Charles Heintzelman, and Family

Dear Mom:
It has been such a long time

We miss you very much. The children ask for their grandma and miss you very much. Mary and I would like to have you here with us, but as that can't be we would like to have your picture.

Now, Mom, we don't want just a snapshot of you, but a real professional portrait. When I was last in Gettysburg I looked in the window of the Lane Studio on York St. and was very impressed by the excellent portraits made by that studio. I noticed several of our friends had been photographed there. So please, Mom, get a new dress and all the fixin's and get down to Lane's Studio.

When you get the proofs just pick the one you like and I'm sure we will all be satisfied with the result.

Thanks, Mom, for the Easter remembrance

Love,
John, Mary and the Children

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—Day to day living in America seems as broad as American life and yet one event after another demonstrates how much this life is shaped by forces far beyond America.

One example was President Kennedy's news conference Wednesday when so many wide-ranging questions seemed unrelated—steel, business, disarmament, labor, prices, profits, Berlin, nuclear tests, campaign costs.

Yet, almost all were interlocked and hinged on the cold war with communism even when there seemed no connection and communism wasn't mentioned.

NEW ARMS PLAN

The same holds true in one after another of these meetings between the President and the press.

He started off Wednesday's session by saying a new American disarmament plan had just been outlined to the Russians at Geneva. Here the cold war connection was direct and obvious.

He followed this with a statement on his conflict with the steel industry—a conflict he won when steel backed down on its price increase—and how he has no ill-will toward the men responsible for the short-lived price boost.

He acknowledged the need of American business to make profits and said, "There can be no room on either side in this country at this time for any feelings of hostility or vindictiveness."

HEAVY SPENDING

But his erasings for not wanting a price spiral to start at this time, when he's trying to keep the economy on an even keel, are rooted in the cold war. The United States is up to its neck in spending on armaments.

A general increase in living costs, meaning also increased defense costs, would jeopardize the economy and boost government expenses, at a time when the

United States must stay financially sound to cope with communism and meet its commitments around the world.

Further, higher prices would cripple this country's ability to sell abroad, particularly to its allies or in competition with them elsewhere, at the very moment it wants closer trade ties with them.

PROSPERITY VITAL

Greater Western prosperity, particularly American prosperity, is vital in discouraging the ambitions of communism and in

stiff-arming it in Asia, Africa and Latin America.

This is an endless chain.

There was, of course, a direct cold war link when Kennedy said this country now seems to have no alternative to nuclear testing since Russia wouldn't agree to an effective test ban treaty. The implications here were more grim than his simple statement showed.

Because there is no agreement not to test there is no reason to think both sides won't just go on testing and talking about not testing.

COLD WAR STUFF

France came into the questioning but here, too, it was cold war stuff: How did he feel about sharing nuclear weapons with France? He indicated he was still against it.

West Germany also got into the questioning. This, too, involved the cold war. It was on the problem of reaching a settlement with the Russians on Berlin.

Even Kennedy's announcement of forgiveness for a couple of Army reservists who were critical of his calling them to active duty had a connection with Russia.

It was after talking with Premier Khrushchev, and listening to his warnings about Berlin, that Kennedy called up Reservists to show the Russian this country didn't intend to knuckle under.

Dawn Service At York Springs At 6

The Lutheran Church of York Springs will conduct a Sunday dawn service at 6 a.m. Easter.

The Junior Choir, under the direction of Mrs. Clair Bower, will present the anthem "The Strife Is O'er." The Senior Choir will present the anthems, "Easter Bells Are Chiming" and "Now Let the Vault of Heaven Resound." The Easter story recorded in the Scripture will be read, using the various translations, the Revised Standard, the King James and the New English translation.

Rev. Mr. Jones will speak on "He Is Here." Holy Communion will be celebrated during the 10:45 service, with the sermon, "Great Excitement," and the Senior Choir singing the anthem, "Alleluia, Christ Is Risen."

TYLER, Tex. (AP)—Galloway Calhoun, 67, an attorney and past imperial potentate of the Shrine, died Monday of a heart attack while delivering a speech in Little Rock, Ark. Calhoun had served as an assistant attorney general of Texas and a special assistant to the U.S. attorney general. He was born in Athens, Tex.

A Lovelier You

By MARY SUE MILLER

M'LOVELY'S CORSAGE. If you are so lucky in love as to find your name on a corsage this weekend, do wear it in a distinctive

manner. Really that is the most graceful means of expressing your appreciation to the donor.

The effective way to wear a spray arrangement is on a slant—with the topmost blossom high up and far out on the shoulder, with the ribbons near-center on the chest. When grouped in round bunches, flowers look charming tucked in a belt, a V neckline or the notch of a lapel.

A single posy—gardenia, camellia or orchid—is usually seen on the shoulder or lapel. But it lends itself to far more interesting placements. A lass might pin her gardenia to the wrist of her glove. A lady's orchid might nestle in the side pocket of her skirt.

There are many delightful possibilities, too, in single blooms from a bouquet of cut flowers. Fastened to both lapels of a suit, tiny jonquils are a most endearing touch.

But whatever placement you elect, make certain it does not detract from the lines of your costume or does not add bulk to your figure. Also be sure to turn your flowers right end up. They should be worn as they grow, with their heads pointing skyward.

The effort you expend is the finest compliment you can pay to one who "says it with flowers."

INSTANT BEAUTY TIPS

For 50 ways to look lovelier, send for my leaflet, "INSTANT BEAUTY TIPS." It shows you how to overcome such annoyances as chipped polish, ragged lipline, straggly hair and even stuck zippers; also, how to create glamour fillips with makeup and accessories. All in the wink of an eyelash! For your copy, write me: A lovelier You, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a self-addressed, stamped envelope and five cents in coin.
